

Transportation Information

Please keep these instructions for obtaining your child's bus information throughout the school year. *Letters will not be sent home during the summer.* This is the only time you will receive this information. You may access e-Link through the Parent tab on the Avon Community School Website. Click on [Transportation Center](#).

E-Link will close for the 2015-2016 school year on June 3, 2016. You may begin accessing bus information for the 2016-2017 school year on July 18, 2016.

Kindergarten students: Parents need to provide transportation for the mid-day pick-up (A.M. students) or drop-off (P.M. students). Transportation is provided to and from each school on the regular kindergarten – fourth grade bus routes for Full-Day kindergarten students.

E-Link Log In Procedure

Parents can now access bus stop information online via e-Link at <http://versatrans.avon-schools.org/elinkrp/>. To access e-Link, please use the following log in procedure: (if the last name has less than 5 letters, then use the entire last name).

Example: John Miller with a student number of 55555555

- **User** First five letters of student's last name. first initial. student identification number:
MILLE.J.55555555
- **Password** First five letters of student's last name. first initial. student identification number:
MILLE.J.55555555

Student ID numbers may be found on the following: school identification card, report card, and class schedule. You may also request information in person at your school. (For security reasons the ID number cannot be given out over the phone.)

If information is inaccurate or changes are needed, please contact the Transportation Department **by calling 317-544-6140** with your updated transportation information or questions. Please do not postpone your call to the Transportation Center. Delayed calls may not be addressed in a timely matter.
