

Dear Youth Development Families:

What happens when school is out for weather related delays, early dismissal or cancellations? The following information will help you be prepared for any of these situations.

**Snow Day Programs:** If school is closed prior to program start time due to inclement weather, a program will be held at YMCA Center locations and other predetermined school sites. For the most up to date information and for program locations, visit our Facebook page "YMCA Youth Development" or call our weather line at 317-532-4919. Fees for Snow Days are in addition to regular before and after care fees.

**Early Dismissal:** If your child's school releases after 1:00pm, our staff will provide care at the school location (with school's permission) until parents/guardians or their designee are able to pick up their children. To ensure the safety of our children, families and staff, please plan to pick up as soon as possible. If the school calls for early release before 1:00pm, there will be no Y service provided to ensure safety of children and staff. We will however, offer a program at designated YMCA locations, if locations are open. Parents/guardians or their designee are responsible for transporting their child to the designated YMCA location, if a program is offered. If your child is an afternoon participant, there are no extra fees for these days. If your child does not use PM programming, there are additional fees for this service.

**Inclement Weather Policy/School Delays:** If the start of school is delayed, the YMCA staff will make every effort to be at your child's school by the designated start time. On these days, the staff will stay until school begins. This is available at morning sites only. If your child is a morning participant, there are no extra fees for these days. If your child does not use AM programming, there are additional fees for this service.

If school is cancelled during a delay, our program will be cancelled as well. We will however, offer a program at designated YMCA locations, if locations are open. Parents/guardians or their designee will be responsible for picking their child up as soon as possible. Parents/guardians or their designee are responsible for transporting their child to the designated YMCA location, if a program is offered.

Sincerely,  
Youth Development Staff
